

10th IWSMRR Second Circular

10th International Workshop on Seismic Microzoning and Risk Reduction

Invitation

The Organizing Committee of the 10th International Workshop of Seismic Microzoning and Risk Reduction (10thIWSMRR) is very much pleased of inviting you to participate in the workshop to be held in Tokyo in **Sep. 25, 2013**.

This Workshop is aimed to exchange the ideas and experiences on Engineering Seismology, Earthquake Engineering, Seismic Hazard and Risk Assessment, Earthquake Disaster Mitigation and Management and other related subjects applicable in urban area among seismologists, engineers, disaster mitigation planners, decision makers as well as representatives of the private sector through the discussion of methodologies and results.

Information

Dates: **Sep. 25, 2013 (Wed.)**

Venue: National Graduate Institute of Policy Study (GRIPS), Roppongi, Tokyo

<http://www.grips.ac.jp/en/about/access/>

Program: Speakers (Not the order of schedule)

Prof. Kojiro Irikura, Aichi Institute of Technology

Prof. Masato Motosaka, International Research Institute for Disaster Science, Tohoku Univ.

Dr. Yoshinobu Tsuji, International Institute of Seismology and Earthquake Engineering,
Building Research Institute

Dr. Kazuo Tani, National Research Institute for Earth Science and Disaster Prevention

Dr. Ken Hatayama, National Research Institute for Fire and Disaster

Dr. Toshihide Kashima, International Institute of Seismology and Earthquake Engineering,
Building Research Institute

Dr. Masaki Nakamura, Seismological and Volcanological Department, Japan Meteorological
Agency

Prof. Shoichi Ando, National Graduate Institute for Policy Studies

Dr. Hideaki Hujiyama, Cabinet Office, Government of Japan

Prof. F. Vidal Sanchez, Instituto Andaluz de Geofisica, Universidad de Granada (Spain)

Prof. Mario Gustavo Ordaz Schroeder, Instituto de Ingenieria, Universidad Nacional Autonoma
de Mexico (Mexico)

Dr. Bartolome Bautista, Deputy Director of Philippine Institute of Volcanology and Seismology
(Philippine)

+ Few more Speakers will be added soon.

Registration: Please send an e-mail to Concierge Desk (IISEE-BRI), 10iwsr@kenken.go.jp, with the subject "10thIWSMRR Registration" and the information listed below pasted in the main text.

+ Your Name

+ Are you a student or not?

+ Affiliation

+ Contact Information (Zip code, Postal Address, Tel & Fax number)

+ Will you join the joint banquet Sep.24 in the evening?

+ Do you wish to join the optional field excursion?

Participation fee: 5,000Yen for the handout. Student incentives (2,000Yen).

Please pay at the reception of the venue.

Banquet: Planned at the 24th of September in the evening. Optional Payment is requested. This is the joint banquet together with the below mentioned "International Workshop of Japan Association for Earthquake Engineering on the Effects of Surface Geology on Strong Ground Motion" held on the 24th of September at the same venue. Please pay at the venue in the 24th.

Field Excursion: Optional Payment is requested. A overnight trip is planned to Sendai City and Onagawa Town, Miyagi Prefecture. Please send an e-mail to Concierge Desk (IISEE-BRI), 10iwsr@kenken.go.jp, with the subject "10thIWSMRR Field Excursion", and the information listed below pasted in the main text:

+ "10thIWSMRR Field Excursion (Wish to join)",

+ Your Name,

+ Affiliation

+ Contact information

More information will be put in the web page of JAEE

(<http://www.jaee.gr.jp/jp/event/10th-iwsr-second-circular/>).

Additional Information: International Workshop of Japan Association for Earthquake Engineering on the Effects of Surface Geology on Strong Ground Motion (<http://www.jaee.gr.jp/en/2013/07/03/258/>) will be held in **Sep. 24, 2013(Tue.)** in the same venue.
